#### Notes to the financial statements for the year ended 31st December 2022

#### 4 Significant accounting policies (continued)

#### e] Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation. Depreciation is written off on a straight line basis over the assets estimated useful lives at the annual rate of 20%.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

Full month's depreciation is charged in the month of addition while no depreciation is charged in the month of disposal of assets. Repairs and renewals are charged to income as and when the expenditure is incurred.

## f] Impairment and uncollectibility of financial assets

An assessment is made at each balance sheet date to determine whether there is objective evidence that a financial asset or group of financial assets may be impaired. If such evidence exist, the estimated recoverable amount of that asset is determined and an impairment loss is recognized for the difference between the recoverable amount and the carrying amount. Impairment losses are recognized in the income statement.

#### gl Accounts receivables

Account receivables are stated at the invoice amount and are secure, unconfirmed but considered good for receivable in the opinion of the management.

## h] Provision for doubtful debts

An estimate for doubtful debts is made when collection of full amount is no longer probable. All debts are current and deemed good. Bad debts if any are written off as and when they incurred.

#### i] Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand and at banks. Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash with original maturities of three months or less and that are subject to insignificant risk of change in value.

#### j] Accounts payable and accruals

Liabilities are recognized for amounts to be paid in the future for goods or services, whether billed by the supplier or not.

# k| Provision for staff entitlement
